

Community Pharmacy

We are a locally owned and operated pharmacy and have been serving the areas of Elizabeth and its surrounding towns and counties. Our pharmacy is staffed by a brilliant team of pharmacists, technicians and fitters who adept and have the necessary qualifications in their respective fields to serve you.

At Community Pharmacy, we have an atmosphere where our customers are encouraged to approach any of our staff for their concerns about their medication. We are truly committed to serve you and we start by getting to know you professionally so we can serve you better. If you need any help with finding any item, we can assist you by guiding you and even provide advice on what is the best product for you for your specific condition or need.
